

We Can Make a Difference

Mark Heimermann, David Mullen
performed by Jaci Velasquez

1. We live in a dream, if we really think
Everything's alright.
This world is in need,
Crying out to be freed
We gotta shed some light.
Teach the world to smile
And hear angels sing
Feel the breath of God
And the power it brings
It's time to come together, you and I
And share the love of Jesus Christ

Chorus:
We can make a difference
We can make a change
We can make the world a better place

We can make a difference
We can make a change
We can make the sun shine through the rain.
(Shine on through the rain)

2. Do you know a man
Who's needing a hand?
Don't ya walk on by.
A sister is sad
Lost all that she had
We gotta take the time
Look around your world
It will testify
Some have empty hearts
Some have hungry eyes
God can heal the suffering through
hands
Find compassion, take a stand.

additional verse by Rick Blair, performed by R B

Chorus.
"Beloved let us love one another.
For love is of God
And everyone that loveth is born of God
And knoweth God. He that loveth not
Knoweth not God, for God is love."
(Beloved let us love one another)

2. Jesus has paid for the sin in my heart
He gave His life to provide a new start.
I had no hope but His love set me free
To give love as He gave to me.
